Getting Started

Action	Display
<p>After launching the Mobile Banking App, select the + icon in the bottom bar to view more options.</p>	
<p>Select Deposit, and then read through and click Continue on the next few screens.</p>	 <p>Cancel Deposit Continue</p> <p>Depositing Checks is Easy Place your check on a flat surface with a dark background and good lighting. Tap Continue to get started.</p> 

Action	Display
<p>The Check Deposit screen appears.</p> <p>On this screen you have four options:</p> <ul style="list-style-type: none"> • Front: Allows you to capture an image of the front of your check. • Back: Allows you to capture an image of the back of your check • Amount: Allows you to enter the amount of the check you are depositing • Deposit to: Displays the account to which the check will deposit <p>Start by selecting Front.</p>	
<p>The device camera launches within the Mobile Banking app. Corner icons are displayed so that you can ensure to align the check within the available boundaries. A camera icon appears allowing you to capture the image. An X also appears which allows you to cancel the image capture.</p> <p>Note: For best results the check should be placed on a dark background. All four corners of the check must also fit within the boundary indicated by the app.</p> <p>Select the white circle button to take a picture of the check.</p> <p>After capturing the image, the camera icon changes to a green checkmark button. Select the green button to save the check image, or select the X button to attempt another capture.</p>	

Action	Display
<p>After selecting the green button, the check deposit screen appears again, this time showing a smaller version of the image captured from the front of the check. Select Back to capture the endorsed side of the check.</p>	
<p>Important Note: The back of the check should be endorsed before image is captured.</p> <p>Checks should be endorsed as:</p> <ul style="list-style-type: none"> • For eDeposit only, Country Club Bank • Signature of Named Payee <p>Repeat the same steps you followed for the front side of the check.</p> <p>Select the white circle button to take a picture of the check.</p> <p>After capturing the image, the camera icon changes to a green checkmark button. Select the green button to save the check image, or select the X button to attempt another capture.</p>	

Action	Display
<p>After selecting OK, the check deposit screen appears, this time showing a smaller version of the image captured from both the front and back of the check.</p> <p>Select the Deposit To line to enter the account in which you wish to place the deposit.</p>	
<p>Select Amount to enter the dollar amount of the check deposit. A number pad launches within the app.</p> <p>Enter the dollar amount of the deposit exactly as it appears on the check including dollars and cents and click Done.</p> <p>Finally, select the "Email Receipt To" field and enter your email address.</p> <p>Once you have the Deposit To, Amount and Email information entered, select the Approve button, and the spinning pinwheel icon appears, indicating that the deposit information is being uploaded.</p> <p>At this point, the system is checking over the supplied check image, and payment information for issues such as blurry text, cut-off images, and missing information.</p>	
<p>You will be prompted to resupply any pieces of information that are not included or accepted before you Approve the deposit.</p> <p>Select Approve if everything looks accurate.</p> <p>You'll receive confirmation emails when the deposit is submitted and when it's approved.</p>
